## Single player version

The pieces are placed face up on the table. The rules remain the same.  
There are 3 levels of difficulty :

### Level 1

Simply place all 16 pieces in a 4 x 4 square.

### Level 2

All pieces are placed in a 4 x 4 square  
AND there can be only one island (and many seas) or  
one sea (and many islands).

### Level 3

All pieces are placed in a 4 x 4 square  
AND there can be only one island **and** one sea.

For each level, there are many possibilities.
